IMPROVING EMPLOYEE RELATIONS

They do have sex in the Hamptons

Finally, Saturday arrived and I was excited about Bobby's pool party in the Hamptons. I had worked hard and many late nights this past week so a day to play was really needed about now. My name is Janie and I'm one of the night managers at the large restaurant that Bobby owns. That's where most of the people here at the party work. His house was pretty amazing but not too large, but it was very tastefully decorated. As Bobby showed me around he was not pretentious and his confidence filled the air. He was obviously successful and enjoyed his life. We concluded the tour and headed outside. The pool was quite large and curvy with a bubbling Jacuzzi at one end. At the pool everyone was already in bathing suits, standing around sipping various types of drinks.

Danny, my immediate boss, and Kammi, his wife, were there as was Lanie, the weekend manager. Nearby were two handsome dark-haired men that I did not recognize talking with a stunning blonde girl in a red thong bikini. Bobby introduced the two guys as Ben and Buck. They were old friends of Danny's and they were in town for awhile. The blonde showed no tan lines obviously from frequent nude sunbathing.

Then he introduced me to the blonde. I learned that her name was Kimber and that she was Bobby's current girlfriend. Bobby then showed me to the cabana where I could change into my bathing suit.

The little blue bikini that I had brought was very modest compared to some the bikinis worn by other women. I slathered some lotion on me and went out to join the party. Everyone was pleasant enough and I thought I fit in pretty well. As I looked around, some were dipping in the pool, others had congregated in the Jacuzzi. As the day turned to late afternoon, more drinks were consumed and more sloppy walking and talking were taking place. A hand that bumped into my butt or breast or thigh were probably not as accidental as made out to be. Strangely, I was getting turned on by all the casual touches.

A couple more hours passed and the sun was setting. The crowd had thinned out a bit, but there were still quite a few people there. They had broken off into small groups. I noticed that the two couples made their way into the house with Bobby. Ben and Buck were openly fondling Kimber's exposed buttocks as

she giggled and swished her ass in fake protest. Kammi and Lanie were in the hot tub sitting very close to each other and Lanie was squirming indicating that Kammi's hands under the water may be the cause of it. Danny approached me and I anticipated him taking me some place where he could fuck me. I only hope the booze was making me think that. Danny was nice enough and had always been pleasant to me at the restaurant. I thought there were times he looked at me in a rather unprofessional way. Not that I didn't mind.

He pulled me aside by the pool's outdoor bar and whispered to me that things were going to get a little more out of hand and perhaps I wasn't ready for it. I asked what he meant by that but he said he'd tell me at work on Monday. I decided he wasn't going to tell me so I agreed to go home. Danny gave me a peck on the cheek and I went back into the cabana to change out of my swimsuit. I was tempted to pretend to leave and sneak back to the house so that I could spy on the others. However I remembered what Danny said and I was worried about the consequences of getting caught. On the drive home I tried to imagine what was going on with all those beautiful women and men. One part of me wished I had stayed while the other part told me I did the right thing by leaving. I was turned on by my erotic thoughts and images. Now I wish I had stayed at the pool party.

The next day I took care of myself because I had a bit of a hangover. I spent most of the day reconstructing yesterday and what happened after I left. Why was Danny so protective. Anyway, so I go to work Monday morning and it was an uneventful day. That evening I did not see Danny and I was disappointed to learn that he would not be back until Friday. As my shift ended, I saw Kammi in the back office reviewing some paperwork. I poked my head in to say hello and good night. She said she had just finished and invited me to go to her place for a glass of wine. I hoped that we would be doing more than drinking wine, so I agreed and we headed out. The evening was harmless, just a lot of girl talk and I went home about midnight

Friday rolls around and when I arrived at the restaurant, I was surprised to find Lanie there. Kammi told me that Danny had asked Lanie to cover for me so

that she and I could go over to Danny's place. That was fine with me and allowed more time with Danny and Kammi, I thought. We drove over to their place, parked and went inside. Danny was there to greet us with glasses of wine. We talked for a short while and finally ended up naked in Danny's bed. Danny's fully inflated cock protruding from his hips straight up was a very enticing sight and I moved immediately to crouch over the bulbous head. Danny held onto my hips as Kammi separated my labia lips as I gently lowered my self upon his stiff manhood. Inch after inch of his fantastic cock gradually disappeared with in my moist pussy. I leaned forward to kiss Danny and his tongue thrust deep into my mouth. Kammi stroked

the same time and I found it exciting in a nasty way. I started bobbing my head on his cock as Danny thrust up into my pussy. Kammi had slipped behind me to work my ass. She massaged my shapely firm buttocks and tickled my little tight rosebud. She pried my ass cheeks apart and began to lick my snug bung hole. She had done this to me before but never with a cock in my pussy and another one in my mouth.

I was going wild with the three way sensations. I felt a warm liquid at my puckered opening as Kammi applied lube to it. She coated my tiny opening and smeared it around lubricating the rim. She then eased one of her fingers into my rectum and slowly began to finger

my back and reached under to fondle my breasts and gently pinch my nipples. The sensation of being filled with all of Danny's eight inches was incredible occasionally he would buck his hips upwards driving his bloated cock even further into my pussy.

Kammi started kissing me deeply, plunging her tongue in my throat as she continued to massage my boobs and tweak my hard little nipples. I was so consumed with lust that I did not notice another figure getting on the bed. Kammi had grabbed Buck's cock with her fingers and guided the engorged head into my mouth. I was so surprised that I let him slowly fuck my face. Now for the first time I had two real cocks in me at

fuck my ass. I was going wild and picked up the pace sucking Buck's cock as I rocked my body on Danny's thick cock. Kammi removed her fingers and pulled the globes of my ass apart planting kisses and rimming my anus. Then I felt something larger at the entrance to my ass and I panicked thinking it was Kammi's dildo. I was about to protest when Kammi appeared at my side and began to rub my breasts again.

I felt Buck's rigid cock nestled against the entrance to my asshole before it began to push its way inside me. His cock struggled to stretch my resistant muscles. I felt the head of Buck's penis burrow in and my tight back door soon yielded to the insistent action of his

cock. I was steadily being pounded at both ends. The men held me in place with their bodies while Kammi's hands freely roamed over my body. I felt an awakening in my body and an overpowering sensation in my holes. All the while Kammi simultaneously caressed my breasts and tugged and squeezed my nipples. Suddenly I felt the cock inside my ass swell up and it started pumping faster. I felt the warm fluid from Buck's cock being squirted inside my anus and I immediately started to cum myself, my walls convulsed around Danny's intruder fucking my pussy. Danny grunted as his whole body became stiff and soon he began slamming his cock harder into me. I writhed around and my body arched off the bed as a climax of massive pro-

We rested for awhile and then Danny told me it was time for him to fuck my ass. I was apprehensive, in fact, I was scared. He was too big and too wide and he could injure me. Nonetheless I found myself on all fours with Danny applying more lube to my used asshole. He eased his big dick into me and I gasped as I felt stretched to the hilt. I could actually feel my stomach cramping around him as he stirred my insides and it burned when I clenched down on him my ass muscles convulsed around his thickness. My head was turned to the side and I watched Kammi as she was being fucked by Buck. Shaking and sobbing with painful ecstasy, I tried to fall forward but Danny's hands kept my ass high in the air for him to pound. When

portions tore through my body. I could feel my juices gushing out. I did not want this to stop.

I collapsed on the bed along side Danny and Kammi. They both stroked my body as Kammi moved lower to suck my pussy. Before long the guys were hard again and ready for more. I again straddled Danny's cock and this time Buck was to have my mouth. I sucked Buck's cock into my mouth and I felt Kammi back working my boobs and nipples. I was to take two more man loads in my holes from Buck and Danny. Once again Kammi was there to clean my pussy. I felt guilty but good and I was sore but pleased. I had of mixture of feelings and I struggled with them all.

he came it was as though buckets of cum were filling my ass, I tightened my hole around him as I tried to adjust to the way he swelled in my ass. As he climaxed, he was the only one who fucked my ass to continue thrusting as he came. I found it incredibly erotic and I came once again.

I had countless orgasms as a result of the activity and I enjoyed each man – and Kammi. The taste of cum was still on my tongue and my holes still felt full of sperm. The next morning I went to the restaurant with aching muscles and a sore asshole. I finally made it through the day and went directly home and into a long, warm, soothing, totally manless bathtub.

it's wasn't dessert after dinner treat

Scott and Marissa were headed to Jean Pierre's, a popular French restaurant on the west side of San Diego. Marissa really liked the French-ish decor and the large semi-circular, over-stuffed booths around the perimeter of the main dining room. With the long red tablecloths, no one could see what was happening below. Nor did anyone really care. Besides the food was great and the drinks were huge.

They were seated in a corner booth and ordered a couple vodka martinis to start. Their conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Marissa started to go a bit further than just rubbing Scott's leg. This time she went for the zipper, found it and zzzzzip, pulled it down in one swift move. "No underwear?" she whispered in Scott's ear. "Not tonight, honey." he replied. "That's funny, not me either." she said as she found his cock and pulled it out from it's confines. She squeezed it and it became even harder, especial-

Dinner lasted a long time. In a good way. It was the foreplay for the rest of the evening and morning.

ly when she used her fingernails on it. That singular sensation almost made Scott cum, but she squeezed hard and stopped him.

Taking Scott's hand off the wine glass, she guides it under the table to her wet pussy. With no undies, she tells him to be quick because

if she gets too wet, she'll stain her dress and embarrass them on the way out. He says he doesn't care and they laugh. His fingers deftly find her pussy and finds no pubic hair, either.

"You're bald here?" he asks as he squeezes the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Then whispers, "Just for you." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." They both giggle and the waiter smiles and moves on.

Dinner over and they decide to head home. Scott pulls into her driveway about midnight and both are feeling warm and fuzzy. Marissa invites him in and takes him by the hand straight up to her bedroom. Inside, Marissa lets her long blue dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly frames her face

and her breasts are bigger than most and, as Scott will soon find out, quite firm. Her hips round and butt firm, and yes, she has a landing strip.

Marissa didn't say a word as she fell back on the bed, propping herself on her elbows and looking at Scott who had been taking this all in. She rolls over onto her belly and motions him to join her. In no time flat, Scott is naked and sitting on the bed beside her. He then kisses the back of her neck, dragging his fingers down along her back. He watches her back muscles flex and skin get goose bumps. He whispers "I am going to fuck that pussy and ass hard tonight but first I am going to suck on those boobs of yours. You have nice big firm tits and I love to suck tits." He pulled her close and began sucking each boob and nipple as his fingers found her fuck hole and invaded it.

As he sucked Marissa's boobs, he fingered her hard and deep feeling her pussy get wetter as he finger-fucked her deeper. Then he sucked a nipple harder and rubbed her clit, then pushed his fingers in again. He felt her pussy pulse as his fingers worked it hard. He then said to her "You want that pussy fucked, don't you? I want to feel you cum as I suck your boobs, too. I can't wait to

stick my big cock in that pussy and ass. I am going to fuck you so hard and give you every inch of my big thick cock."

Marissa rolls on her side to put her head in his lap, instantly sucking in his cock. Scott falls back on the bed to give her better access to his cock and balls. She grabs them as she sucks down his meat rocket. He slips his hands around her boobs again and his fingers

find her nipples and squeezes them hard. She yelps and in return gently bites his cock, baring her teeth for him to see. He squeezes them again and she gulps the whole thing down and gives his scrotum a twist, that he finds painfully pleasurable. Her lust was quickly becoming far too much for her to endure. Scott slides his hand up her legs and finds her swollen clit once more, massaging his fingertip over her quivering bud. This was a moment he had spent fantasizing about. Now it was all coming true right there for him. He plunged his fingers into the juicy depths of her pussy and finger-fucked her while she sucked him.

He sucked on her nipples and kissed and bit all over her boobs as his fingers worked her ass and pussy. He had her cumming hard as he fucked her pussy deep. He heard her moan and felt her cum cover his fingers as he whispered to her "You love that don't you? I am going to keep you cumming for a long time. Spread your legs, Marissa. I want to see that pussy of yours as I push my thick cock in it. I am going to fill you with my cock as I fuck you hard and deep. I'm going to show you how I can make you cum till you scream for mercy. But no mercy for you tonight. We are here to fuck and fuck we will, long and hard. Now spread those legs and then pull your pussy

lips back so I can see that pink fuck hole.” He watched Marissa spread her legs then pull her pussy lips back and he looked at her wet hole before he began to push his thick cock into her.

Soaked by her pussy juices, Scott’s fingers begin exploring her perfectly tight buttock. In the dim light he can see a brown pucker quivering with anticipation and he does not deny it for long. Gently circling it, he plunges a finger in two knuckles deep. She moves her butt back to help push it in deeper. He obliges with another finger and leaves them there so her sphincter can get used to it’s new guests. With short deliberate movements he massages her anus from the inside as Marissa squirms her butt with the sensations he’s arousing.

Marissa’s butt cheeks quivered as she felt her body entered. But the deep penetration she desperately wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon Scott so his cock could enter her ass. She pushes onto it with only a slight wince of pain from the initial widening of her small hole. Scott carefully pushes his shaft within the tight confines of her anus. With his fingers, he reaches around her and massages her

breasts pulling her tighter into him as he slowly but firmly pushes his cock all the way in her ass. She arches back with great pleasure and grinds her hips on his.

He plunges a couple fingers into Marissa’s soaked pussy, pulling out his soaked fingers and bringing the sensual taste to her lips. His cock filled her and massaged her insides in the way she imagined. They remained on their sides, relaxing for the moment in the pleasure of one another’s bodies and basking in the tingle

that ripples over their skin. Him with his cock imbedded in the warmth of her body, and her ass filled to the hilt with his cock.

But all this was not enough as Marissa’s pussy was still empty and she wanted it filled. She lifts a pillow up and stashed under it is her trusty vibrator. She pulls Scott’s fingers out and thrusts the vibe in her. Scott feels the odd sensations as well. She clutches one of the pillows as she holds the vibe inside her pussy. Her body begins to shake as her climax closes fast. Marissa pumps her ass back into Scott’s big cock wildly as the orgasm envelopes her body and all is unnecessary in the world except this moment with this person.

Scott rides her climax gritting his teeth as he moans “I’m cumming!” through his clenched teeth. His final thrust spurts his love juice deep into her ass and fills her with the hot delight of his cum. Slowly she pulls away and his cock falls limp upon him. They lay together in the sweat of love juices on a bed drenched with their lust. Her sphincter sore but happy. His cock satisfied, but ready for more. They both lay on their backs as the heavy breathing subsides and Marissa reaches over to caress and hold Scott’s balls in a gesture of appreciation for their contribution. They fall asleep and wake up that way in the morning.
